STARS GOT SPOOKY FOR HALLOWEEN

1-year-old twins Knox and Vivienne at the party. BRAD PITT and ANGELINA JOLIE took the older kids — including Batgirl Zahara, 4, and Maddox, 8 — trick-or-treating in Hollywood. "They were smiling and just watching the kids having a good time," says an onlooker about the couple, who was decked out as *Yo Gabba Gabba!* characters Rock, and a bloodied-up Angelina.

TORI SPELLING and her 16-month-old daughter, Stella, both went as *Sesame Street*'s Abby Cadabby. Tori's hubby, DEAN McDERMOTT, meanwhile, went as Captain Jack Sparrow, while 2-year-old Liam sported an adorable Spider-Man suit.

NICK LACHEY and VANESSA MINNILLO solidified their on-again status by donning Frankenstein and Bride of Frankenstein getups for a party at Nick's LA mansion thrown by event planner Marley Majcher. "They seemed incredibly happy together," an onlooker tells *Life & Style*.

Much less scary!
